Kwasi Nyantakyi is only being sacrificed to cover up the 89/178 million dollars GVGKelni stinking scandal. Just about a year ago I accused Asenso of being corrupt. Hon. Kennedy Agyapong is said to have also accused Uslar Owusu of being corrupt and alledged that people are charged huge sums of money before they are allowed to see the president. We were both invited by the CID. A year on, Imani Ghana is asking the same Uslar Owusu to resign because of some shady deals at the communication ministry and NCA. It is even suspected that this dodgy deal is the reason why a board member has resigned and many who do not want to be implicated in anyway

Yaw Nyame Ba Nyamekye Reading this your post over and over again but still struggling to get your direction...Provide your evidence if you have one and stop this "Social Critique"...You're indirectly pointing fingers at Asenso and co. I see that as immaturity...Just provide your evidence on the plane ticket allegation claim...Ghana is eager to know..Thank you!

Sheikh Joel When you got invited by the CID, what evidence did you tender? The only thing you had was just a conversation with a party who wasn't involved in your allegations. Get hardcore evidence and put it out there in the Media. Abe recording de3, you've done some before or?

Am sure the writer is not better than those he is alleging to be corrupt. You can see that from his article. But what we need are people like Anas and his hardcore evidence not those whom when had the opportunity disappointed us turned around to apologized and now want to get some attention. Pls go manage your personal problems with Asenso and don't come waste our time. Be bold not mere talkative.

So so appalling, Ghana must work again. We have to put back our political different and do what is right. Who ever spend tax payers money without following the right root should be prosecuted. But A-plus if u know that there is faeces in ur anus u better shut ur mouth before they will bring u to on board.

Mr A Plus I know you are doing well to help fight coruption in the country. But My opinion is since you are close to the President do your best to enlightene him on some of this things since he promised to be a listening government I think he would listen.

**Frederick Ehiawoanwu Akomeng-Gyasi** With this statement, 1. does it mean the apology you rendered to the president for accusing the deputies of the chief of staff of corruption was fake? 2. Does it mean maame Tiwaa actually massaged the investigations and that the tape we heard her on is true? 3. Would you then say that maame Tiwaa is herself corrupt and her promotion was only to reward her for her role in rendering you accusations useless?

There has been so much talk about legalizing homosexuality in Ghana lately. What are your thoughts on this subject? Do you support those who are calling for legalisation of homosexuality in Ghana? Are you against it and therefore want homosexuals to be given stiffer punishments? Should we hold a referendum to tell how many people are for or against legalizing it to be able to make a decision as a country? Or in your opinion, it's just NO!!! It not even an important topic for discussion?
